LAMELLE RESULT DRIVEN FACIALS

Lamelle produces highly advanced products for both the professional and consumer with solutions for pigmentation, problematic skins, age correction and sun protection. Lamelle's products are developed through a rigorous program of research, review, meticulous production and constant improvement.

Please Note: Consultation is compulsory as this will ensure that your therapist will select the best suited treatment for your skincare, goals and concerns.

LACTIC FIRM 30/10 AND MASK **60 MINS R790**

The Acid is Combined with a Plumping Ingredient – DMAE. It's a very comfortable, Skin-Firming and revitalising treatment with little if any, social downtime.

BETA PEEL 20% **60 MINS R890**

Beta-Hydroxy Peel is ideal for both treating Acne and Pigmentation on the skin. On its own, a Beta Peel is fairly mild, only causing some dryness and a little flaking.

BETA PEEL 30% **60 MINS R930**

Beta-Hydroxy Peel is ideal for both treating Acne and Pigmentation on the skin. On its own, a Beta Peel is fairly mild, only causing some dryness and a little flaking.

RESTISTORE **60 MINS R1170**

This Peel is a Lamelle Proprietary Complex, and it gives Full Epidermal Restructuring for a more advanced ageing treatment, with minimal social downtime.

NOVE INTRODUCTION (NEEDLING SYSTEM) **60 MIN R 1257**

Dermaheal SR is a powerful Anti-Wrinkle, Anti-Aging solution designed for skin rejuvenation by means of injected stem cells. It contains a mixture of peptides and growth hormones. It moisturizes skin & shrinks pores, while revitalizing dry & dull skin by stimulating cell proliferation.
